The perfect present this holiday season. Why not use a gift card that gives to your church as well!

From the Minister

Years ago, if you wanted to make an offering at the temple, you had choices. Such as an unblemished sheep. Or you could trade in some of your regular currency for temple coins, and use them. (Thus the money changers at the temple.) You could not just use regular money. Oh, but then times changed. Regular money was accepted at church for offerings. And, with modern banking, churches decided to accept cheques, etc. Offerings were offerings. Now things change again. The Hudson Pastoral Charge will now be able to accept donations (and payment for some purchases) with your debit card tap, or with your credit card. Now, cash is always best, because there are no fees. But we have no fees on debit tap until 2018. Sunday, November 12, we'll be accepting donations this way during coffee hour. No unblemished sheep required.
