## From the Minister

Summer Time - Sabbath Time

For many people in our communities, summer is a time when the rhythm slows, when there is some time for relaxation, perhaps a trip somewhere. It can be a time when many might be able to distance themselves - even for a few hours - from the e-mails, the texts, the phone calls. It can be a time when we can be outdoors in the garden, by a lake, in a boat, on a campsite: somewhere surrounded by God's creation. It may be a time to distance ourselves, even for short times, from technology.. but not to distance ourselves from God. As you go through your summer: seek the Creator!

## Country Fair - Saturday, August 1 - 12PM to 5PM

White Elephant, Treasures, BBQ, Pony Rides, Face Painting, Candy Store and Artisans Tables. Donations for White Elephant and Treasures Table may be dropped off at the church in the upstairs hall Tuesday or Thursday mornings. For more info call Diane at 450-458-4588.

## News from Outreach

It is with great pride that the Outreach Committee has disbursed for the spring session, a total of \$1945 to 8 different organizations. We wish to take this opportunity to thank our congregation for all the financial help given so generously, allowing our committee to provide this much needed assistance. Here is a breakdown of the givings:

## A 🎵 from the Choir Loft

Summertime and the livin' is easy - and the Wyman Choir is off on summer respite. Before we go we want to thank the congregation for your generous support and steady interest in our music. Your warm smiles as we perform our anthems not only stir the heart, they encourage us to sing with ever more gusto. Thank you for your kindness. It makes all the difference. While we're at it, remember - our doors are always open to new members. Come join us. Practices begin in September on the first Thursday after Labour Day. Hope to see you there! Enjoy a glorious summer!
